Dear Applicant for Development Project:

PLN No: _____

The California Legislature has passed a law that requires persons applying for development projects to review a listing of all hazardous waste sites. For a current list of the Hazardous Waste Sites, please go to the California Environmental Protection Agency website at: <http://www.calepa.ca.gov/SiteCleanup/CorteseList/>. If the site of your proposed development project is included on the list of hazardous waste sites, then it shall be so noted. Please note that if your proposed development project site is included on the Cortese list, the preparation of an environmental document will be required in conjunction with the project, per Section 65962.5. A copy of the law requiring this verification is attached for your reference.

VERIFICATION STATEMENT

(Review of list related to hazardous waste sites)

I, _____, as applicant for a development project, have reviewed the lists of projects relating to hazardous wastes pursuant to Section 65962.5 of the California Government Code. The proposed site (is) (is not) included on the list.

List (if applicable)

Date

Signature

65962.5. (a) The Department of Toxic Substances Control shall compile and update as appropriate, but at least annually, and shall submit to the Secretary for Environmental Protection, a list of all of the following:

(1) All hazardous waste facilities subject to corrective action pursuant to Section 25187.5 of the Health and Safety Code.

(2) All land designated as hazardous waste property or border zone property pursuant to former Article 11 (commencing with Section 25220) of Chapter 6.5 of Division 20 of the Health and Safety Code.

(3) All information received by the Department of Toxic Substances Control pursuant to Section 25242 of the Health and Safety Code on hazardous waste disposals on public land.

(4) All sites listed pursuant to Section 25356 of the Health and Safety Code.

(b) The State Department of Health Services shall compile and update as appropriate, but at least annually, and shall submit to the Secretary for Environmental Protection, a list of all public drinking water wells that contain detectable levels of organic contaminants and that are subject to water analysis pursuant to Section 116395 of the Health and Safety Code.

(c) The State Water Resources Control Board shall compile and update as appropriate, but at least annually, and shall submit to the Secretary for Environmental Protection, a list of all of the following:

(1) All underground storage tanks for which an unauthorized release report is filed pursuant to Section 25295 of the Health and Safety Code.

(2) All solid waste disposal facilities from which there is a migration of hazardous waste and for which a California regional water quality control board has notified the Department of Toxic Substances Control pursuant to subdivision (e) of Section 13273 of the Water Code.

(3) All cease and desist orders issued after January 1, 1986, pursuant to Section 13301 of the Water Code, and all cleanup or abatement orders issued after January 1, 1986, pursuant to Section 13304 of the Water Code, that concern the discharge of wastes that are hazardous materials.

(d) The local enforcement agency, as designated pursuant to Section 18051 of Title 14 of the California Code of Regulations, shall compile as appropriate, but at least annually, and shall submit to the Department of Resources Recycling and Recovery, a list of all solid waste disposal facilities from which there is a known migration of hazardous waste. The Department of Resources Recycling and Recovery shall compile the local lists into a statewide list, which shall be submitted to the Secretary for Environmental

Protection and shall be available to any person who requests the information.

(e) The Secretary for Environmental Protection shall consolidate the information submitted pursuant to this section and distribute it in a timely fashion to each city and county in which sites on the lists are located. The secretary shall distribute the information to any other person upon request. The secretary may charge a reasonable fee to persons requesting the information, other than cities, counties, or cities and counties, to cover the cost of developing, maintaining, and reproducing and distributing the information.

(f) Before a lead agency accepts as complete an application for any development project which will be used by any person, the applicant shall consult the lists sent to the appropriate city or county and shall submit a signed statement to the local agency indicating whether the project and any alternatives are located on a site that is included on any of the lists compiled pursuant to this section and shall specify any list. If the site is included on a list, and the list is not specified on the statement, the lead agency shall notify the applicant pursuant to Section 65943. The statement shall read as follows:

HAZARDOUS WASTE AND SUBSTANCES STATEMENT

The development project and any alternatives proposed in this application are contained on the lists compiled pursuant to Section 65962.5 of the Government Code. Accordingly, the project applicant is required to submit a signed statement that contains the following information:

Name of applicant:

Address:

Phone number:

Address of site (street name and number if available, and ZIP Code):

Local agency (city/county):

Assessor's book, page, and parcel number:

Specify any list pursuant to Section 65962.5 of the Government Code:

Regulatory identification number:

Date of list:

Applicant, Date

(g) The changes made to this section by the act amending this section, that takes effect January 1, 1992, apply only to projects for which applications have not been deemed complete on or before January 1, 1992, pursuant to Section 65943.
